Information on confidence-building measures in the field of conventional arms

The General Assembly,

Guided by the purposes and principles enshrined in the Charter of the United Nations,

Bearing in mind the contribution of confidence-building measures in the field of conventional arms, adopted on the initiative and with the agreement of the States concerned, to the improvement of the overall international peace and security situation,

Convinced that the relationship between the development of confidence-building measures in the field of conventional arms and the international security environment can also be mutually reinforcing,

Considering the important role that confidence-building measures in the field of conventional arms can also play in creating favourable conditions for progress in the field of disarmament,

08-55703 (E) 221008

Recognizing that the exchange of information on confidence-building measures in the field of conventional arms contributes to mutual understanding and confidence among Member States,

Recalling its resolutions 59/92 of 3 December 2004, 60/82 of 8 December 2005 and 61/79 of 6 December 2006,

1. *Welcomes* all confidence-building measures in the field of conventional arms already undertaken by Member States as well as the information on such measures voluntarily provided;

2. *Encourages* Member States to continue to adopt confidence-building measures in the field of conventional arms and to provide information in that regard;

3. *Also encourages* Member States to continue the dialogue on confidence-building measures in the field of conventional arms;

4. *Welcomes* the establishment of the electronic database containing information provided by Member States, and requests the Secretary-General to keep the database updated and to assist Member States, at their request, in the organization of seminars, courses and workshops aimed at enhancing the knowledge of new developments in this field;

5. *Decides* to include in the provisional agenda of its sixty-fifth session the item entitled "Information on confidence-building measures in the field of conventional arms".
